## Somerville Homeless Coalition, Inc.

SUPPORT HOUSING COMMUNITY

Since 1985, the Somerville Homeless Coalition (SHC) has been working with people who are homeless or low-income in the Greater Boston area by providing housing and supportive services to end homelessness and foster independence.

Since opening the area's first adult shelter, SHC has grown to encompass a family shelter, food pantry, community dinners, permanent housing, home-based supportive services, comprehensive case management, and homeless prevention resources.
