Noted below are the required minimum building inspections. It is the responsibility of the Permit Holder to notify the Building Division for the required minimum inspections. The Permit Holder shall notify the Building Official twenty-four (24) hours in advance of the required minimum inspection. The Building Official has forty-eight (48) hours to respond. Any work performed, completed and covered without the required minimum inspection is in violation of 780 CMR: The Mass. State Building Code.

An Owner who obtains a building permit to his/her own work, or an owner who hires an unregistered contractor (not registered in the Home Improvement Contractor (HIC) Program), will NOT have access to the arbitration program or guaranty fund under M.G.L. c. 142A. (The fund only applies to 1-4 unit buildings.)
